Dear Madam:

I am submitting this letter as formal complaint regarding Marsha Tahquechi, a person that is presenting herself as a licensed professional nurse, currently employed by Comanche Nation College, Lawton, OK. It is a matter of record, according to the Oklahoma Board of Nursing License Verification, Ms. Tahquechi has been practicing while her license has lapsed.

As of Feb. 17, 2010, Ms. Tahquechi was in her office, acting in the capacity of Director of Nursing for the Practical Nursing Program, verified by personal phone calls. Ms. Tahquechi is guilty of not only misleading the public, students, and those that do business with the program such as the clinical facilities but demonstrates blatant disregard for the laws that apply to her profession, poor judgment, and gross incompetency. By failing to follow the Rules and Regulations of the Oklahoma Board of Nursing, Ms. Tahquechi has brought ill repute to the Comanche Nation and placed the nursing program in grave jeopardy.

As the duly appointed body responsible "to safeguard the public's health by ensuring that licensed nurses are qualified and competent to practice" I am requesting your offices' prompt attention in this situation and that Ms. Tahquechi, the President, and Administration held to the fullest extent of the law. I can be contacted at 580-429-3430.

Sincerely,

A handwritten signature in cursive script that reads "Eleanor McDaniel". The signature is written in dark ink and is positioned above the printed name.
